The screenshot displays the Skyliner e-ticket website interface. On the left, the Japanese search form is highlighted with a red box, showing fields for departure station (成田机场 第1候机楼), arrival station, date (2015.04.06), and time (17:07). Below these are options for search criteria: '时间' (Time) and '换乘次数' (Transfer count). A blue '搜索' (Search) button is at the bottom. The main content area includes a '路线指南' (Route Guide) section with icons for various lines like 新宿, 涩谷, 池袋, etc. On the right, a navigation menu is visible with icons for 'Skyliner e-ticket', '折价车票' (Discount tickets), '票价' (Fares), '换乘指南' (Transfer guide), '购买车票' (Purchase tickets), and '常见问题' (FAQ). At the bottom right, an English-only search form is also highlighted with a red box, mirroring the Japanese version with fields for 'Origin Station' (Narita Airport Terminal 1), 'Destination Station', 'Date', and 'Time'.
