

Special ticket plans for visitors to Japan from overseas

## “Keisei Skyliner & Tokyo Subway Ticket”

### Points of Sale Expansion!

**On sale in South Korea starting August 14, 2017**

On August 14, 2017, Keisei Electric Railway Co., Ltd. (Head office: Ichikawa, Chiba; President: Toshiya Kobayashi) will launch sales of the Keisei Skyliner & Tokyo Subway Ticket in South Korea, through South Korean travel agency Naeil Tour. The Keisei Skyliner & Tokyo Subway Ticket is a plan ticket that enables foreign visitors to Japan to ride the Skyliner at a discount.

Naeil Tour already handles sales of the Skyliner Coupon for Keisei in South Korea. With the August 14 launch, the travel agency adds the Keisei Skyliner & Tokyo Subway Ticket to its roster of Keisei offerings.

The “Skyliner” is a fee-based limited express train that connects Narita Airport to the center of Tokyo in as little as 36 minutes. This train is equipped with spaces for large luggage in each car. It is possible to use AC outlets and a free Wi-Fi service (only for foreign visitors to Japan) in each seat in the train while traveling. This speed and comfort makes this a popular train with both passengers in Japan and foreign visitors from overseas.

The "Keisei Skyliner & Tokyo Subway Ticket" is a plan passenger ticket for foreign visitors to Japan. The ticket combines one-way or return fare on the "Skyliner" with the "Tokyo Subway Ticket", which provides free travel on 13 subway lines (nine lines of the Tokyo Metro Subway plus four lines of the Toei Subway) for 24 hours, 48 hours or 72 hours.

This expansion of Keisei’s ticket sales network is part of an ongoing effort by Keisei to bolster sales in countries and regions where demand for travel to Japan is burgeoning, so that increasing numbers of visitors to Japan from overseas can use these ticket plans. By strengthening sales in Southeast Asia, Keisei hopes to contribute to further growth in the number of users of Skyliner, and to enable foreign visitors to tour Japan with comfort, convenience and peace of mind.
