We are opening this center to enhance our support system for international travelers to Japan due to their increasing numbers in recent years.

The “SKYLINER & KEISEI INFORMATION CENTER” will offer support in English, Chinese and Korean. This center will give priority to the sale and exchange of special passenger tickets intended for international travelers to Japan. Moreover, this center will dramatically improve our services for international travelers. For example, we will offer information on tourist spots all over the country.

We will provide support to make it possible for international travelers to Japan to enjoy an even more convenient and comfortable trip in this country.

We have provided an overview of the opening of the “SKYLINER & KEISEI INFORMATION CENTER” on the next page.
