**On Sale from July 27 (Wed)**

The Keisei Group’s Keisei Electric Railway Co., Ltd. (Head Office: Ichikawa, Chiba Prefecture; President: Norio Saigusa) and Teito Motor Transportation Co., Ltd. (Head Office: Chuo City, Tokyo; President: Takehiro Mikoda) will release the new “KEISEI SKYLINER & TEITO TAXI” package ticket that makes it possible for foreign visitors to Japan to use the Keisei Skyliner and Teito Taxi from July 27 (Wed).

“KEISEI SKYLINER & TEITO TAXI” is a special ticket package for foreign visitors to Japan. This ticket allows passengers to reach Keisei Ueno Station on the Keisei Skyliner. The Skyliner comfortably connects passengers between Narita Airport and Keisei Ueno in as little as 41 minutes. After arriving at Keisei Ueno Station, passengers will be taken in a “Teito Taxi” to their hotel in 11 cities in Tokyo (Chiyoda City, Chuo City, Minato City, Shinjuku City, Bunkyo City, Sumida City, Koto City, Shinagawa City, Meguro City, Shibuya City and Toshima City). A Teito Taxi driver will meet passengers at Keisei Ueno Station. Passengers will then be taken to their destination while they can enjoy the scenery of Tokyo from the car window via famous sightseeing spots, such as the “National Diet Building” and “Tokyo Skytree®”, depending on the location of their hotel.

The Keisei Group will continue to strive to make it possible for foreign visitors to Japan to enjoy their trip here with even more comfort, convenience and peace of mind by demonstrating the synergies of our group.
