

The number of outlets handling Keisei's two special ticket plans for visitors to Japan from overseas continues to expand

“Skyliner Coupon” “Keisei Skyliner & Tokyo Subway Ticket”

Sales Start in Changi Travel Services Pte Ltd

Keisei Electric Railway Co., Ltd. (head office: Ichikawa, Chiba Prefecture; president: Toshiya Kobayashi) will further expand its network of sales outlets overseas for the “Skyliner Coupon” and “Keisei Skyliner & Tokyo Subway Ticket” special tickets that allow foreign visitors to Japan to use the “Skyliner” economically. On Friday June, 30, 2017, Singapore-based Changi Travel Services Pte Ltd is to start selling. Also, its group companies in five countries of Southeast Asia are going to launch as soon as ready.

The “Skyliner” is a fee-based limited express train that connects Narita Airport to the center of Tokyo in as little as 36 minutes. This train is equipped with spaces for large luggage in each car. It is possible to use AC outlets and a free Wi-Fi service (only for foreign visitors to Japan) in each seat in the train while traveling. This speed and comfort makes this a popular train with both passengers in Japan and foreign visitors from overseas.

The “Skyliner Coupon” is a special ticket for foreign visitors to Japan. This makes it possible to buy a “Skyliner” one-way passenger ticket and special express ticket at a discount price in local travel agencies prior to coming to Japan.

The "Keisei Skyliner & Tokyo Subway Ticket" is a plan passenger ticket for foreign visitors to Japan. The ticket combines one-way or return fare on the "Skyliner" with the "Tokyo Subway Ticket", which provides free travel on 13 subway lines (nine lines of the Tokyo Metro Subway plus four lines of the Toei Subway) for 24 hours, 48 hours or 72 hours.

This expansion of Keisei's ticket sales network is part of an ongoing effort by Keisei to bolster sales in countries and regions where demand for travel to Japan is burgeoning, so that increasing numbers of visitors to Japan from overseas can use these ticket plans. By strengthening sales in Southeast Asia, Keisei hopes to contribute to further growth in the number of users of Skyliner, and to enable foreign visitors to tour Japan with comfort, convenience and peace of mind.
