Keisei Electric Railway Co., Ltd.

**More Economical Trips from Narita Airport to Tokyo**  
**“Keisei Skyliner & Tokyo Subway Ticket”**  
**Start of Sales on planes of the Vanilla Air LCC!**

From November 1 (Wed), 2017

Keisei Electric Railway Co., Ltd. (Head office: Ichikawa, Chiba; President: Toshiya Kobayashi) will expand its sale locations for the “Keisei Skyliner & Tokyo Subway Ticket plan ticket” that makes it possible to use the Keisei Skyliner and all lines of the Tokyo Metro & Toei Subway at a discount with sales on planes of Vanilla Air starting Wednesday, November 1.

The “Skyliner” is a fee-based limited express train that connects Narita Airport to the center of Tokyo in as little as 36 minutes. This train is equipped with spaces for large luggage in each car. It is possible to use AC outlets and a free Wi-Fi service (only for foreign visitors to Japan) in each seat in the train while traveling. This speed and comfort makes this a popular train with both passengers in Japan and foreign visitors from overseas.

The "Keisei Skyliner & Tokyo Subway Ticket" is a plan passenger ticket for foreign visitors to Japan. The ticket combines one-way or return fare on the "Skyliner" with the "Tokyo Subway Ticket", which provides free travel on 13 subway lines (nine lines of the Tokyo Metro Subway plus four lines of the Toei Subway) for 24 hours, 48 hours or 72 hours. This ticket is sold at the “SKYLINER & KEISEI INFORMATION CENTER” in Narita Airport Terminal 1 Station and Narita Airport Terminal 2-3 Station, overseas travel agents, and other locations for foreign visitors to Japan. In addition, it is sold on three LCCs – “Peach Aviation”, “Spring Japan” and “Jetstar Japan” – for customers in Japan as well. This is a very popular product.

The “Skyliner Value Ticket”, which makes it possible to take a one-way trip on the Keisei Skyliner at a discount price, has been sold on planes of Vanilla Air up until now. However, sales of the “Keisei Skyliner & Tokyo Subway Ticket” will be added to make sightseeing in Tokyo even more convenient and economical for customers visiting Tokyo from LCC service destinations.

Keisei Electric Railway Co., Ltd. hopes to contribute to further growth in the number of users of Skyliner, and to enable foreign visitors to tour Japan with comfort, convenience and peace of mind.

The details of the expanded network of sales outlets of the “Keisei Skyliner & Tokyo Subway Ticket” is on the next page.
