

Make your travel from Narita Airport easier with the new Hands-Free service !

**『Hands-Free Travel with Skyliner』 Points of Sale Expansion
For International Travelers to Japan
Available at “SKYLINER & KEISEI INFORMATION CENTER”**

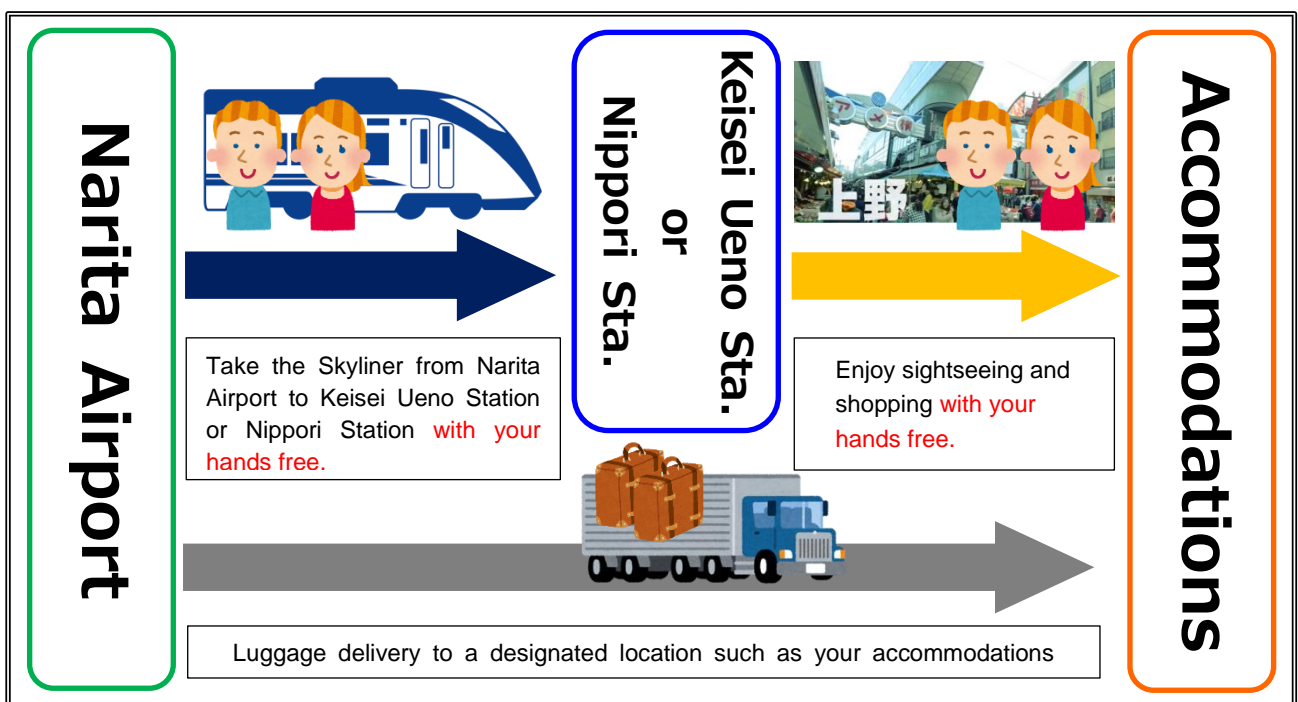

Keisei Electric Railway Co., Ltd. (Head Office: Ichikawa, Chiba; President: Norio Saigusa) and JAL ABC, Inc. (Head Office: Chuo-ku, Tokyo; President: Hisatoshi Kurose) are expanding points of sale with their joint service “Hands-Free Travel with Skyliner” which will be available at the Keisei Electric Railway’s SKYLINER & KEISEI INFORMATION CENTER for foreign tourists from December 1st (Thu).

“Hands-Free Travel with Skyliner” is a discount service including the “Airport Luggage Delivery Service” in which JAL ABC receives the customer’s luggage at Narita Airport and delivers it to a designated location along with a limited express and passenger ticket on the “Skyliner” run by Keisei Electric Railway.

Up until now, this service was available at the luggage delivery counter in the arrival lobby at Narita Airport and was mainly popular among Japanese people coming back to Japan from a trip abroad. However, with the increase in foreign tourists coming into Japan, Keisei Electric Railway’s general information counter for international travelers to Japan the “SKYLINER & KEISEI INFORMATION CENTER” will start offering this to increase the opportunities for International travelers to Japan to purchase this service. This discount will allow foreign tourists to not only reach the downtown area quickly with the Skyliner, but it will also make their travel easier enabling them to enjoy activities such as sightseeing or shopping with ease on the way to their accommodations.

Keisei Electric Railway is striving to improve services so foreign visitors can enjoy their stay in Japan with more convenience and peace of mind.

The following is an overview of the points of sale expansion of the “Hands-Free Travel with Skyliner”.
