Temporary Suspension of Skyliner Ticketless Services

Thank you for using Keisei Electric Railway Co., Ltd.

Please note, the following services will be temporarily suspended in order to conduct maintenance for the purpose of enhancing the security of the relevant services. Skyliner tickets will continue to be available for purchase at station ticket windows and ticketing machines.

A separate notice will be issued at a later date to announce resumption of the services.

[Applicable services]

- Skyliner Ticketless Services
- Skyliner e-ticket
- Skyliner e-ticket (Face Check in System)
- Purchase of Skyliner tickets at travel agencies

[For customers who have already made Skyliner Ticketless Services or Skyliner e-ticket (Face Check in System) purchases]

The above-noted services are currently not available for use, so we apologize for any inconvenience but customers who have already made purchases through these services must purchase separate tickets at station ticket windows or ticketing machines and notify the station staff that you originally used the above-noted services. Refunds for purchases through the services will be issued at a later date.

Also please note, that processing of credit card refunds may take some time to complete.

If you have any questions, please contact a member of our station staff.

We sincerely apologize for any inconvenience caused to Skyliner Ticketless Services or Skyliner e-ticket (Face Check in System) customers. Thank you for your understanding and cooperation.
